

## Background Check:

You can initiate your background check by going to <http://www.mybackgroundcheck.com>

Steps for completing the background check:

1. Once on the site, scroll down and click on the American Red Cross box located in the lower right hand corner of the screen.
2. Once there, click on the black box (that states, "Request a Background Check.")
3. Click on the state Kentucky symbol on the US map.
4. Choose the **Bluegrass Area Chapter** and follow the instructions.

All volunteers must complete their background check before receiving additional training.
